INDEPENDENT AUDITOR'S REPORT

To the Board of Directors and Management
of Action for Healthy Kids, Inc.

We have audited the accompanying financial statements of Action for Healthy Kids, Inc. (a nonprofit organization) which comprise the statement of financial position as of December 31, 2015 and 2014, and the related statements of activities, cash flows and functional expenses for the years then ended and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

To the Board of Directors and Management
of Action for Healthy Kids, Inc.

ACTION FOR HEALTHY KIDS, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2015 AND 2014

(1) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND PRACTICES:

Action for Healthy Kids, Inc. (AFHK) is a charitable organization incorporated in Washington, D.C. in September, 2002. AFHK is a nationwide grassroots network that mobilizes school professionals, parents and communities in support of school-based nutrition and physical activity programs that lead to healthier schools where kids are healthy, active and better prepared to learn. Through training, funding, wellness programs and a shared determination to see all children become healthy, successful adults, AFHK provides the comprehensive support and resources needed to build healthy schools in every community.

The financial statements were available to be issued on June 17, 2016, with subsequent events being evaluated through this date.

The following summarizes the significant accounting policies and practices reflected in the accompanying financial statements:

Accounting Method -

AFHK records its financial transactions and maintains its books and records on the accrual basis of accounting, which recognizes revenues as they are earned and expenses as they are incurred.

Basis of Presentation -

AFHK is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

Unrestricted net assets - Net assets that are not subject to donor-imposed stipulations.

Temporarily restricted net assets - Net assets subject to donor-imposed stipulations that may or will be met, either by actions of AFHK and/or the passage of time.

Permanently restricted net assets - Net assets subject to donor-imposed stipulations that they be maintained permanently by the Organization. Generally, the donors of these assets permit the Organization to use all or part of the income earned on any related investments for general or specific purposes. There are no permanently restricted net assets as of December 31, 2015 and 2014.

Cash and Cash Equivalents -

For purposes of the statement of cash flows, AFHK considers all highly liquid instruments with an original maturity of three months or less to be cash equivalents.

Financial Instruments -

The carrying values of cash and cash equivalents, accounts and contributions receivable, prepaid expenses and other assets, noncurrent contributions receivable, and accounts payable and accrued liabilities are reasonable estimates of fair value due to the short-term nature of these financial instruments.

(1) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND PRACTICES: (Continued)

Concentrations of Credit Risk -

Financial instruments which potentially subject AFHK to concentrations of credit risk consist principally of cash. AFHK places its cash and deposits with high credit quality financial institutions; however, deposits may exceed the federally insured limits in various banks from time to time.

Receivables -

Unconditional promises to give that are expected to be collected within one year are recorded at net realizable value. Unconditional promises to give that are expected to be collected in future years are recorded at fair value, which is measured as the present value of their future cash flows. The discounts on those amounts are computed using risk-adjusted interest rates applicable to the years in which the contributions are received. Amortization of the discounts is included in contribution revenue. Conditional promises to give are not included as support until the conditions are substantially met. All contributions receivable are considered fully collectible based on past experience and management's judgment; therefore, no allowance for doubtful contribution accounts receivable is needed.

Property and Equipment -

AFHK follows the practice of capitalizing all expenditures and property and equipment having a useful life in excess of one year. Property and equipment are recorded at cost or, if donated, at the estimated fair market value at the date of donation and are depreciated over their estimated useful lives, which range from three to seven years, using the straight-line method. Any purchases over \$1,000 are capitalized.

In-Kind Contributions -

Donated services are recognized as contributions in accordance with the Accounting Standards Codification for *Contributions Received and Contributions Made*, if the services (a) create or enhance nonfinancial assets or (b) require specialized skills, are performed by people with those skills, and would otherwise be purchased by AFHK. The value of donated assets, supplies, and services is included as in-kind contribution revenue and a corresponding program expense in the financial statements. Many individuals volunteer time and perform a variety of tasks that assist AFHK. There were approximately 101,000 and 85,000 state team volunteers in 2015 and 2014, respectively. Although valuable, volunteer time is not recognized in the financial statements.

Estimates -

AFHK prepares its financial statements according to generally accepted accounting principles which require the use of estimates and assumptions that affect reported amounts and disclosures. Actual results could differ from those estimates.

Restricted Resources -

AFHK reports gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

(1) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND PRACTICES: (Continued)

Restricted Resources - (Continued)

AFHK reports gifts of land, buildings, and equipment as unrestricted support unless explicit donor stipulations specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as restricted support. Absent explicit donor stipulations about how long those long-lived assets must be maintained, AFHK reports expirations of donor restrictions when the donated or acquired long-lived assets are placed in service.

Income Taxes -

AFHK has been determined by the Internal Revenue Service to be exempt from income tax under Section 501(c)(3) of the Internal Revenue Code, except for taxes on unrelated business income. Accordingly, no provision for income tax has been established.

AFHK files income tax returns in the U.S. federal jurisdiction and Illinois. With few exceptions, AFHK is no longer subject to U.S. federal, state and local, or non-U.S. income tax examinations by tax authorities for years before 2012. AFHK does not expect a material net change in unrecognized tax benefits in the next twelve months.

Allocation of Expenses -

The costs of providing the various programs and supporting services have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the program and supporting services benefited.

(2) ACCOUNTS AND CONTRIBUTIONS RECEIVABLE:

At December 31, 2015 and 2014, the timing of payments of accounts and contributions receivable as determined by the underlying agreements are expected to be as follows:
